SAFETY DATA SHEET

Prepared in accordance with Annex II to Regulation (EC) No 1907/2006 as amended by Regulation (EU) 2020/878

---

1. Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier: BioClean Pro by Woodlook – cleaning concentrate

CAS number: not applicable
EC number /EINECS/: not applicable
Index number: not applicable
Registration number: not applicable
UFI: H300-H0KU-S000-GUFA
Other name of the mixture: not applicable

1.2 Relevant identified uses of the mixture and uses advised against:

- Use: Professional and consumer cleaning and degreasing agent for hard surfaces.

- Uses advised against: Do not use on food, skin or textiles.

1.3 Details of the supplier of the safety data sheet:

Manufacturer/Supplier: Danill, a.s.
Address: Nixbrod 7, 934 01 Levice, Slovak Republic
Tel.: +421 36 630 82 60
E-mail: danill@danill.sk, website: www.danill.sk

1.4 Emergency telephone number:

National Toxicological Information Centre, University Hospital Bratislava, Kramáre site, Clinic of Occupational Medicine and Toxicology, Limbová 5, 833 05 Bratislava, Slovakia, Tel.: +421 2 54 77 4 166 (24/7). Outside Slovakia, contact your national poison centre.

---

2. Hazards identification

2.1 Classification of the mixture according to Regulation (EC) No 1272/2008 (CLP):

- Eye Irrit. 2 – H319 (Causes serious eye irritation)
- Skin Irrit. 2 – H315 Causes skin irritation

Most serious adverse effects on human health when using the mixture:

Direct contact may irritate the eyes and skin. Contains sensitising substances that may cause an allergic reaction on contact with skin. Most serious adverse effects on the environment when using the mixture: The mixture is a pollutant for the aquatic environment; by changing the pH of water it may cause adverse effects on aquatic organisms. Prevent the mixture from entering groundwater, drains and soil.

2.2 Label elements:

Name of the mixture: WL BioClean Pro

Hazard pictogram:

GHS07 – exclamation mark (irritant)

Signal word: Warning

Hazard statements (H-statements):

- H315 Causes skin irritation
- H319 Causes serious eye irritation

May cause an allergic reaction.

Precautionary statements (P-statements):

- P264 Wash hands thoroughly after handling
- P280 Wear protective gloves and eye protection
- P302+P352 IF ON SKIN: Wash with plenty of soap and water
- P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing

- P337+P313 If eye irritation persists: Get medical advice

First aid: P301+P330+P331 IF SWALLOWED: rinse mouth. Do NOT induce vomiting. P304+P340 IF INHALED: Remove person to fresh air and keep comfortable for breathing. P312 Call the NATIONAL TOXICOLOGICAL INFORMATION CENTRE or a doctor if you feel unwell.

P302+P352 IF ON SKIN: Wash with plenty of soap and water. P332+P313 If skin irritation occurs: Get medical advice.

P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P337+P313 If eye irritation persists: Get medical advice.

---

3. Composition/information on ingredients

The mixture contains:

- <5 % anionic surfactants (e.g. sodium lauryl ether sulfate)
- <5 % non-ionic surfactants
- Auxiliary substances, stabilisers, water

---

4. First-aid measures

- If inhaled: Move the affected person to fresh air; if symptoms persist, seek medical attention.
- In case of skin contact: Rinse with plenty of water and soap.
- In case of eye contact: Rinse immediately with water for at least 10 minutes; if irritation persists, seek medical advice.
- If swallowed: Rinse mouth, do not induce vomiting, seek medical attention.

---

5. Firefighting measures

- Suitable extinguishing media: Foam, powder, CO□, water spray
- **Unsuitable extinguishing media: Direct water jet**
- Specific hazards: Combustion may produce carbon monoxide and carbon dioxide
- Protective equipment for firefighters: Use self-contained breathing apparatus

---

6. Accidental release measures

- Avoid contact with eyes and skin
- Absorb with inert material (sand, vermiculite)
- Environmental precautions: prevent release into drains, groundwater, surface water and soil

---

7. Handling and storage

- Handling: Use personal protective equipment, avoid contact with eyes and skin. Use the mixture only according to the instructions on the packaging
- Storage: Store in the original closed containers at 5–25 °C, protected from frost and direct sunlight

---

8. Exposure controls / personal protection

- **Eye/face protection: Safety glasses**
- Hand protection: Chemical-resistant gloves
- General hygiene measures: Wash hands after work and do not use contaminated work clothing

---

9. Physical and chemical properties

- Physical state: Liquid
- Colour: Light yellow
- Odour: Mild, clean
- pH: 8 – 9
- Density: ~1.03 g/cm³
- Boiling point: >100 °C
- Solubility in water: Complete

---

10. Stability and reactivity

- Stable under recommended conditions
- Avoid extreme temperatures and frost
- Hazardous decomposition products: carbon oxides in case of fire

---

11. Toxicological information

- Eye irritation: Causes serious irritation
- Skin irritation: May cause redness on prolonged contact

- **Sensitisation: Not expected**

---

12. Ecological information

- **Toxicity to aquatic organisms: Low at the recommended dilution**
- Degradability: The surfactants are biodegradable in accordance with Regulation (EC) 648/2004
- **Prevent release into the environment**

---

13. Disposal considerations

- Hand over unused product and packaging to a collection site or an authorised person
- Do not dispose of with municipal waste or into drains

---

14. Transport information

- Not classified as dangerous goods for ADR/RID/IMDG/IATA

---

15. Regulatory information

- Safety data sheet prepared in accordance with Regulation (EU) 2020/878
- Classification of the mixture according to Regulation (EC) No 1272/2008 (CLP)

15.1 Regulations/legislation:

Regulation (EC) No 1907/2006 of the European Parliament and of the Council

Commission Regulation (EU) 2010/453 amending Regulation (EC) No 1907/2006 of the EP and of the Council

Commission Regulation (EU) 2015/830 amending Regulation (EC) No 1907/2006 of the EP and of the Council

Commission Regulation (EU) 2020/878 amending Regulation (EC) No 1907/2006 of the EP and of the Council

Regulation (EC) No 1272/2008 of the European Parliament and of the Council

Commission Regulation (EC) No 790/2009 amending and supplementing Regulation (EC) No 1272/2008 of the EP and of the Council

Commission Regulation (EU) No 286/2011 amending and supplementing Regulation (EC) No 1272/2008 of the EP and of the Council

Commission Regulation (EU) No 618/2012 amending and supplementing Regulation (EC) No 1272/2008 of the EP and of the Council

Commission Regulation (EU) No 487/2013 amending and supplementing Regulation (EC) No 1272/2008 of the EP and of the Council

Commission Regulation (EU) No 758/2013 correcting Annex VI to Regulation (EC) No 1272/2008 of the EP and of the Council

Commission Regulation (EU) 2016/918 amending Regulation (EC) No 1272/2008 of the EP and of the Council; Commission Regulation (EU) 2017/542 amending Regulation (EC) No 1272/2008 of the EP and of the Council

Commission Delegated Regulation (EU) 2020/11 amending Commission Regulation (EU) 2017/542

Commission Delegated Regulation (EU) 2020/1676 amending Commission Regulation (EU) 2017/542

Commission Delegated Regulation (EU) 2020/1677 amending Commission Regulation (EU) 2017/542

Slovak Government Regulation No 355/2006 Coll.

Slovak Government Regulation No 300/2007 Coll. amending Government Regulation No 355/2006; Slovak Government Regulation No 471/2011 Coll. amending and supplementing Government Regulation No 355/2006

Slovak Government Regulation No 33/2018 Coll. amending and supplementing Government Regulation No 355/2006

Slovak Government Regulation No 236/2020 Coll. amending and supplementing Government Regulation No 355/2006

Act No 103/2015 on the protection, promotion and development of public health and on amendments to certain acts.

Regulation (EU) No 528/2012 of the EP and of the Council of 22 May 2012 concerning the making available on the market and use of biocidal products.

Regulation (EC) No 648/2004 of the European Parliament and of the Council on detergents, as amended.

Act No 313/2016 Coll. amending and supplementing Act No 79/2015 Coll. on waste and amending certain acts, as amended by Act No 91/2016 Coll.

European Agreement concerning the International Carriage of Dangerous Goods by Road (ADR).

---

16. Other information

The information given corresponds to the current state of knowledge and experience and complies with the applicable legislation.

The mixture must not be used for purposes other than those specified by the manufacturer. The manufacturer accepts no liability for improper use of the product.

16.1 H-statements used in section 3

H301 Toxic if swallowed.

H311 Toxic in contact with skin.

H314 Causes severe skin burns and eye damage.

H315 Causes skin irritation.

H317 May cause an allergic skin reaction.

H318 Causes serious eye damage.

H319 Causes serious eye irritation.

H331 Toxic if inhaled.

H341 Suspected of causing genetic defects.

H350 May cause cancer.

H412 Harmful to aquatic life with long lasting effects.

16.2 Abbreviations used:

ADR European Agreement concerning the International Carriage of Dangerous Goods by Road. CLP classification, labelling and packaging, Regulation (EC) 1272/2008 DNEL derived no-effect level

EC50 median effective concentration

EC European Community LC50 median lethal concentration LD50 median lethal dose PBT persistent, bioaccumulative and toxic

REACH registration, evaluation and authorisation of chemicals (Regulation 1907/2006) SVHC substances of very high concern

vPvB very persistent and very bioaccumulative substance

16.3 Recommendation:

Read the instructions on the label before using the mixture. Train persons coming into contact with the product according to the safety data sheet

16.4 Further product information:

Further product information is provided by the manufacturer at www.danill.sk and on +421 36 630 82 60

16.5 Data sources used to compile the safety data sheet:

Safety data sheets of the components of the mixture; http://echa.europa.eu/information-on-chemicals; Regulation (EC) No 1272/2008 of the European Parliament and of the Council.

---

17. Declaration

DANILL, a.s., joint-stock company

This safety data sheet has been prepared in accordance with Annex II to Regulation (EC) No 1907/2006 of the European Parliament and of the Council as amended by Commission Regulation (EU) 2020/878, based on the classification of the mixture according to Regulation (EC) No 1272/2008 of the European Parliament and of the Council. The safety data sheet contains the information necessary to ensure safety and health at work and to protect the environment. The information given corresponds to the current state of knowledge and experience and complies with the applicable legislation. The mixture must not be used for purposes other than those specified by the manufacturer. The manufacturer accepts no liability for improper use of the mixture.
